

# MV PAWARA

## Cabins:

Our 10 cabins have been ergonomically designed to maximize your comfort on board. Each cabin is equipped with its own unit of air conditioning, and each room has en suite private toilet and shower. A safe box is also provided to store your valuables. There is plenty of natural lights and views of the Andaman Sea from your private cabin.

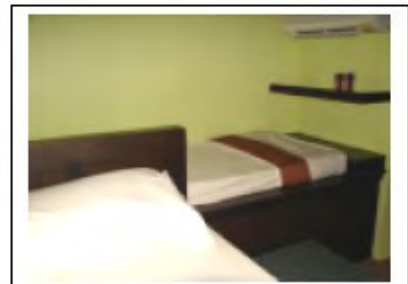

The cabins are located on the Main and Lower decks, 6 and 4, respectively. Cabins are varying in three different layouts and Thai style of decoration.

- Standard Cabin (Main Deck) -

- Deluxe Cabin (Main Deck) -

- Standard Cabin (Lower Deck) -

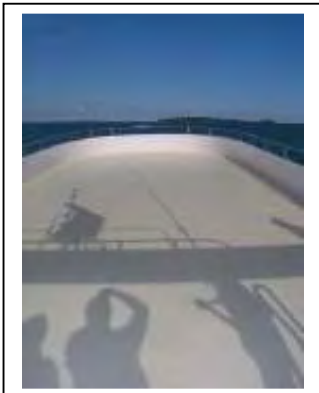

### Toilets:

Apart from the private shower & toilet facilities in your cabin, a common shower & toilet room is also provided by the dive equipment area for your convenience.

### Dining Area:

This air-conditioned dining room is spacious enough to accommodate up to 24 persons! If this isn't enough, or you'd prefer to enjoy your meals in the fresh sea breeze, an equally comfortable seating area is available on the Upper Deck, by the bar, in or out of the sun. The Galley (cooking area) is well equipped and stocked to cater for a variety of Thai and international cuisine. Our chefs take pride in their kitchen and keep it spotless for maximum hygiene.

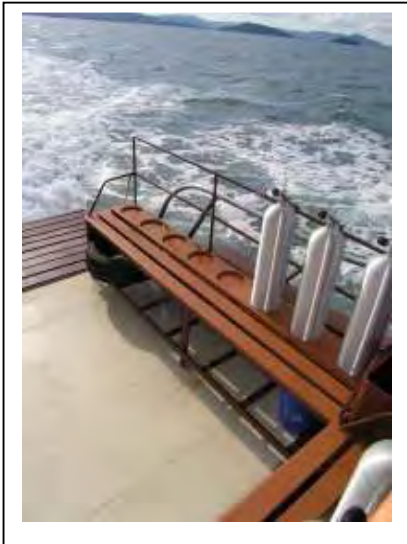

### The Lounge:

The large space more than 35 square meters lounge is located on the Upper Deck. Here you can unwind from the full day of diving in a comfortable air-conditioned room with a variety of indoor board games and TV/Video/DVD/CD/Karaoke facilities provided. A personal computer is also available for downloading of digital pictures onto CD's. Fax and internet access are available, depending on locations (featuring in season of 2006-2007).

### The Sundeck:

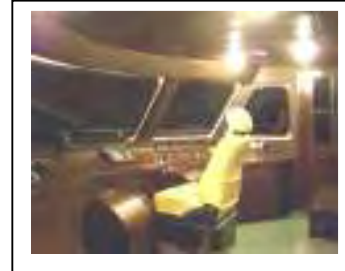

The large sundeck has plenty of room more than 72 square meters for stretching. This is a perfect area for those who love to warm up in the sun. Thai style mattresses are provided for your increasing comforts

### **The Gearing up Area and the Dive Platform:**

This area has been purposely designed to offer space and convenience to enhance your diving experience. Hooks, shelves, hangers are provided to place / keep /hang your diving gear. The airy open space will allow your wetsuit to dry up ready for your next dive. Outdoor shower facilities are available on the platform for a quick wash up. 4 staffs are allocated to look after you while you gear up.

### **The Bridge:**

Our bridge, or the Captain's control room, is well equipped with a full range of state-of-the-art navigation equipment. From here, the Captain will get an all around view, including views from monitoring cameras located in the engine room and the diving platform. The Captain is a local who has had plenty of sailing experience and is an expert when it comes to venturing the Andaman Sea.

### **Other onboard services:**

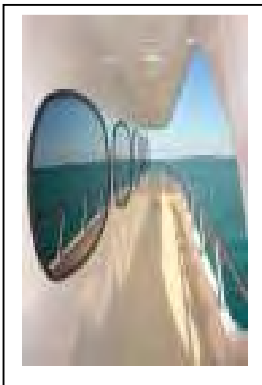

Sea kayaking, snorkeling, and beach kiting and many more activities equipments available onboard for you to enjoy. A 40 horse power dingy is available for transfer to shores and pick up.

### **Energizing yourself on board:**

5 meals are served per full day. Meals will vary each day and will comprise of Thai cuisines, fresh seafood, and international dishes. Our cook will ensure that you are well looked after for every meal on board. Food will be attentively prepared to suit your requirement. Snacks, tea, coffee, soft drinks are available through out the day

### **The Pawara Team:**

The luxury of the boat is matched by the professionalism of the staff team. Each team member is STCW'95 certified and is an expert in his or her own field, from the highly experienced Captain, to the top local dive leaders, to the team that help you gear up for your dives, and to the other team members who will be servicing you at one point or another. Together the team will do their best to take care of your safety and comforts on board Pawara.
